## **Non-Animal Testing Certificate**

---

Active Micro Systems certifies that none of our products have been tested on animals. The component materials that are used to make our products have not been subject to animal testing or re-testing for cosmetic purposes by or on our behalf.

This is an electronically generated document.

Information contained in this technical literature is believed to be accurate and is offered in good faith for the benefit of the customer. The company however cannot assume any legality or risk involved in the use of its chemical products since the conditions of use are beyond our control. Statements concerning the possible use of our products are not intended as recommendation to use our products in the infringement of any patent. We make no warranty of any kind, expressed or implied, other than that the material conforms to the applicable standard specification. Freedom from patent infringement is not implied. All information is for investigative purposes only.
